

COLORADO KIDS WORD BANK

February 18, 2020

Sonic the Hedgehog

precedent -- an event that sets the stage for the future

power surge -- quick burst of power

dissonance -- bad sound, an event of strong disagreement

easter egg -- a joke or trick snuck into a film or website based on earlier events in the story.

Junk Raft

craze -- fad

linear -- happening in a straight line, from this point to that point.

gyre -- measure of a sea current, but also a nonsense term from "Through the Looking Glass"

Starsight

masterful -- done with extreme skill

infiltrate -- to sneak into a very closed group

Census

postal -- having to do with the US Postal Service

Indian -- a term used for aboriginal people in North America, often preferred by them to "Native American."

Astronaut applications

corps -- a group, often with specific skills or a specific mission

Leadville Ski Joring

colorful -- exciting, often somewhat naughty

biathlon -- event combining skiing with riflery
