

# NEWSPAPERS IN EDUCATION

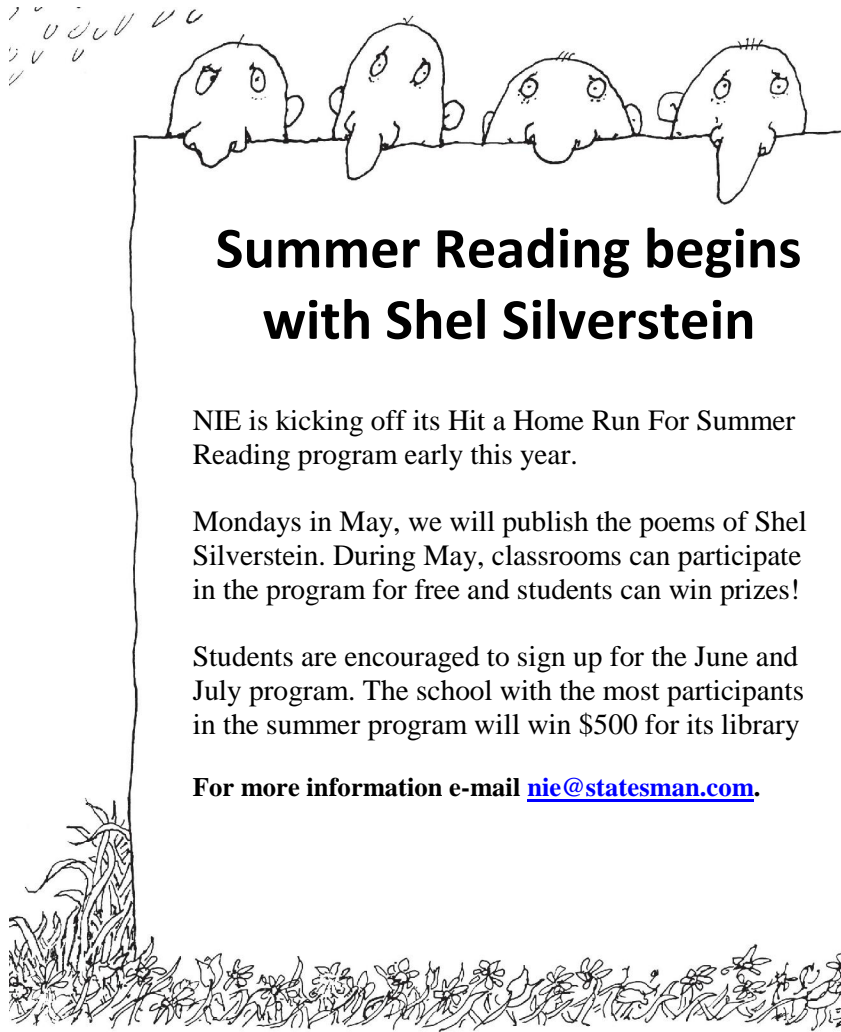

Austin American-Statesman • May 2010

## We want to hear from you!

A link to our annual NIE survey was sent out at the end of April. All teachers who complete the survey can choose to enter a drawing to win a \$100 HEB gift certificate. Five second-place winners will receive free eEdition subscriptions.

You can take the survey here: <http://bit.ly/a3ty66>

## Summer Reading begins with Shel Silverstein

NIE is kicking off its Hit a Home Run For Summer Reading program early this year.

Mondays in May, we will publish the poems of Shel Silverstein. During May, classrooms can participate in the program for free and students can win prizes!

Students are encouraged to sign up for the June and July program. The school with the most participants in the summer program will win \$500 for its library

## It's not too late to verify spring 2010 delivery

NIE is audited annually and must have a verification form on file for each teacher every semester.
