Talking Points

1. What do these cartoons say about the Republicans' failure to pass a new health care bill?
2. How long have Republicans been pushing to replace the Affordable Care Act?
3. Why couldn't the GOP pass an Obamacare replacement?
4. What would the Trumpcare plan have done? How would it have changed health care? How would it have changed taxes? Who'd win or lose?
5. How will this failure impact the president's agenda?
