STOCK MARKET GAME

Complimentary e-Appeal Access

The Stock Market Game teaches students to think and how to make decisions based on world events. In studying the economy, they'll learn skills in the areas of math, social studies, economics, life skills, business education, and technology.

The Commercial Appeal's Stock Market Game involves teams of two to five students in grades 4-12 who invest a hypothetical \$100,000 in the New York and American

Stock Exchanges, and the NASDAQ. Each week, the excitement builds as teams receive portfolio value updates that show how they're doing compared with other teams at their grade level.

The Stock Market Game contest this year is February 6 through April 13. It is made available through a partnership with Middle Tennessee State University. All materials and e-Appeal access are complimentary, thanks to the generosity of our sponsor, First Tennessee.

Participating teachers will receive a grant of up to 5 teams as well as e-Appeal access Sundays through Fridays at no charge to your school (there is no newspaper delivery).

Contact Maria Edlin at 615-898-5291 to pay team fees if you wish to sign up for more than the 5 teams we provide.

Teachers are required to sign up for The Commercial Appeal's e-Appeal digital edition in order to participate in the Stock Market Game. So, there are two registrations: one with The Commercial Appeal and one with Middle Tennessee State University.

Sign up for e-Appeal

If you have already filled out an order form for the e-Appeal this school year, you should have access to the e-Appeal. **Please do not sign up again.**

If you have not signed up for the e-Appeal this school year, go to the NIE web page, www.nieonline.com/memphis and click on the "Register for the eAppeal at no charge" link at the top of the page, left of the log-in area. Fill out the form and submit. This registration allows you access to the e-Appeal and all NIE-related curricula.

Sign up for Stock Market Game

All participants are required to do this step. Even if you signed up for the Fall Stock Market Game, you will need to do this again. Click on www.stockmarketgame.org and register to participate in the Stock Market Game with Maria Edlin at Middle Tennessee State University. She will provide you with team ID's and password. If you have further questions, you can contact Ms. Edlin at maria.medlin@mtsu.edu

For more information, contact Bill Bailey at baileybill@commercialappeal.com
