In the pyramid activity below begin with all of the options at the base of the pyramid and narrow the options as you move to the top.

Questions, information gathering and personal reflection help you decide the best career fit for you!

## Career Pathway Goal

How can having a career pathway plan save you time and money when you graduate?

Now place the one M&M color that you like the best here.

In what ways can you explore all your course and career options to decide the best fit for you?

How easy/difficult was it for you to separate and decide between M&M colors?

Next write or separate 3 M&M colors and place them here.

When you think about all of your course and career pathway options, what additional information would you need to know to narrow your selection?

How do all of the M&M colors in one space compare to your career pathway options?

Write all of the M&M colors in this space OR if you have some, pour out a handful or two.
