

Electronic (digital replica) Edition of the Times-Call ORDER FORM

- **Educational.** Your electronic subscription continues to work well with our NIE online features such as *Use The News*, *Words in the News*, and *Kid Scoop* (all available at: <http://nieonline.com/pmp>)
- **Enhanced.** Improved features allow you to translate articles into multiple languages, or you can choose an audio version. Advanced search allows up to seven days back issues to find key words. You can print, save, and email articles and advertisements.
- **Efficient.** Access the *Times-Call* 24 hours a day, 5 days a week for lesson preparation. The E-Edition is available by 6 a.m. Plus, one email affidavit per semester confirms all deliveries.
- **Error-free.** The E-Edition is ready when YOU are ready to use it. No more hunting for your newspaper, and wondering in what condition it will be.
- **Easy-to-use.** Navigate through pages faster, and search by keywords for what's applicable to your lesson plans. You can even receive emails notifying you if key words appear in that day's newspaper.
- **Earth-Friendly.** The E-Edition reduces the use of paper, gas and energy.

FREE OF CHARGE FOR CLASSROOM USE ONLY!

(Please note that this log in and password is for your classroom use only. Unauthorized sharing could result in termination of E-Edition access.)
