

Thank you for sharing the news!

The *Tampa Bay Times* would like to thank the businesses, organizations and individuals who supported our Newspaper in Education program (NIE) between Aug. 1, 2014 and Jul. 31, 2015.

NIE provides Tampa Bay area classrooms with free access to the *Times* and related learning materials.

Tampa Bay area teachers request more than 4.5 million print and electronic newspapers for their classrooms every year. One hundred percent of gifts to NIE are used to provide educational resources to local schools.

By supporting NIE, you have a direct impact on classrooms in our community, helping to improve students' academic achievement, create lifelong readers and cultivate informed and engaged citizens.
