

Thank you for sharing the news!

The *Tampa Bay Times* would like to thank the businesses, organizations and individuals who supported our Newspaper in Education program (NIE) between August 1, 2013 and July 31, 2014.

NIE provides Tampa Bay area schools with free access to the *Times* and related learning materials. Tampa Bay area teachers request more than 4.5 million print and electronic newspapers for their classrooms every year.

One hundred percent of gifts to NIE are used to provide educational resources to local schools. We are grateful for the support of the many generous businesses, organizations and individuals who support our mission.

By supporting NIE, you have a direct impact on classrooms in our community, helping to improve students' academic achievement, create lifelong readers and cultivate informed and engaged citizens.
