

LIGHTS ON TAMPA

As you may already know, the City of Tampa Art Programs Division and our nonprofit partner, the Public Art Alliance, will again be commissioning artists for Lights On Tampa. This award-winning art festival will return Friday, February 27th to downtown, to kick off Gasparilla Arts month.

In order to put the lights “on” Tampa, we are raising funds through Give Day Tampa Bay, a one-day online giving challenge led by the Community Foundation of Tampa Bay and the Florida Next Foundation, to raise support for local nonprofits and grow philanthropy in our region.

Give Day Tampa Bay is one day, so save the date & spread the word:
