

# PROJECT WEATHER

## A FREE STEM WORKSHOP FOR TEACHERS OF GRADES K-4

Featuring fun and innovative ways to bring weather and marine science into the elementary classroom

In recognition of Severe Weather Awareness Week 2015, the Tampa Bay Times Newspaper in Education program, Bay News 9 and Clearwater Marine Aquarium are proud to present this workshop focusing on STEM learning. Highlights include:

- Presentations by Bay News 9 Chief Meteorologist Mike Clay and Clearwater Marine Aquarium education experts
- Tips & strategies from Florida Standards experts
- Complimentary classroom tools, activity books and more
- Complimentary refreshments and door prizes
