

Kids' Kopy

Educators, sign up today for our 12 page tabloid! It is designed for students in grades K-8, although it is beneficial for any student. Each month's Kid's Kopy will have a science page from the Space Place, a serial story with TEK activities, safe web sites, character education, and much more. Most of the lessons are fun, colorful and have TEKS objectives. Also included are innovative tips for teachers and parents.

A 22 paper classroom set costs only \$3.74 per month (17¢ per copy). The papers will be delivered to your school by our newspaper carriers on the dates they are printed, which is the second Tuesday of each school month.

Please call **254-757-5823**,
 fax **254-756-6465**, or e-mail
 Carol Wenzel at cwenzel@wacotrib.com

2nd Tuesday of each school month

Reduce your paper work by ordering **NOW for the entire school year** using a standard P.O. number!
