

# Cartoons for the Classroom

Presented by NIEonline.com and the Association of American Editorial Cartoonists (AAEC)

Bill Schorr / Courtesy CagleCartoons.com

Brian Farrington / Courtesy CagleCartoons.com

## Hoping for answers

### Talking points

1. Why does Bill Schorr include a "Congress" label for Santa?
2. What else would you include on Obama's wish list?
3. In Brian Farrington's view, consumer spending is the key to turning around the dismal economy. What happens when shoppers spend more? What's stopping them this year?
