Talking points

1. Newt Gingrich is the latest frontrunner in the race for the Republican presidential nomination, and he's the latest target for other candidates and the media. Find newspaper reports on how he is being criticized.
2. Find editorials and cartoons aimed at past frontrunners in the race.
3. Find reports on what happened to those past frontrunners.

Between the lines

"If you want to watch millionaires throwing elbows, there's still the Republican presidential race: So many characters, so many twists." -

Comedian Stephen Colbert
