### Talking Points

1. What are these cartoonists saying about how politicians profit from politics?
2. What do you think of former President Obama being paid \$400,000 for a speech?
3. Do former office-holders often get big bucks for speaking?
4. What about politicians being hired as high-priced lobbyists?
5. What do you think of President Trump pushing big tax cuts that profit himself?
6. How much taxes would repealing Obamacare save Trump and many in Congress?

### Between the lines

The health care bill “really is about taking a trillion dollars out of your health care to fund tax cuts for the rich. Trump and company celebrate while the country remains outraged.” – Rep. Darren Soto, D-Fla.
