Talking Points

1. After Republicans were unable to agree on a plan for healthcare, President Trump said he'd "let Obamacare fail." Why did he say that?
2. What do these cartoons say about Trump's strategy?
3. If the GOP can't pass a replacement, do you think it will try to sabotage the existing program? Why or why not?
4. Should all Americans have guaranteed healthcare?
5. How should we pay for it?

Between the lines

"We're not going to own it – I'm not going to own it – I can tell you the Republicans are not going to own it, We'll let Obamacare fail and then the Democrats are going to come to us." – President Trump.
