Talking Points

1. How do these cartoons portray the talks between President Donald Trump and Kim Jong Un of North Korea?
2. What did President Trump blame for the breakdown of negotiations in Hanoi?
3. Do you think the North Korean regime is willing to give up its nuclear weapons?
4. What did the president say about Kim and the death of American college student Otto Warmbier? What was the reaction to his statement?
5. Why were the negotiations called "summit talks"? Where did that term originate?

Between the lines

"When you get to the point that North Korea has to do things to prove it is committed to full denuclearization – boom, they collapse." – Daniel Sneider, Stanford University
