1. How do these cartoons portray the angry split-up between President Donald Trump and Elon Musk, the world's richest person?
2. Musk called Trump's "big, beautiful bill" a "disgusting abomination" that would bankrupt America. How much is that bill expected to raise the nation's debt?
3. Trump, who had put Musk in charge of cutting federal "waste," said his former ally "just went CRAZY!" Which top foreign leader did Trump recently call crazy?
4. Trump threatened to cancel federal contracts with Musk's companies. How might that cripple US space and defense programs?
5. How much money did Musk give Trump's 2024 political campaign?

Between the lines

"Oh, man, the girls are fighting, aren't they? I would say that this was something that was a long time coming ... these two huge egos were not long for being together in this world as friends."
— US Rep. Alexandria Ocasio-Cortez, D-NY.
