1. How do these cartoons describe President Donald Trump's plans for this year's celebration of the 250th anniversary of the Declaration of Independence?
2. How did Trump react when several musical groups refused to perform at his planned "Great American State Fair" on the National Mall in Washington, DC?
3. What might prevent a plan to put Trump's portrait on \$250 bill?
4. Has the image of any living American president ever appeared on U.S. currency?
5. Has any other living president's name been added to a memorial for a dead president?
6. Where else have giant portraits of political leaders been placed on government buildings?

### Between the lines
