Is Trump centered on his name?

1. What do these cartoons say about President Donald Trump's campaign to put his name on the John F. Kennedy Center for the Performing Arts?
2. Why did a federal judge order Trump's name removed from the memorial for the slain president?
3. How was the performing arts center named after Kennedy?
4. Trump has held up money to renovate the Washington, D.C., landmark unless his name is added to the building. Do you think he might tear it down?
5. Is the center is "being held hostage," as Trump's foes claim?
6. Do you think the Supreme Court would support Trump? Why or why not?

Between the lines

"If the ruling (about putting Trump's name on the building) is a negative one, which it should not be, and is not overturned by the U.S. Supreme Court, the Reconstruction and the Renovation of The Kennedy Center will not take place." — President Donald Trump.
