

What do you know?

Colorado Kids: November 14, 2017

1. According to the article, which of these statements about women painters in the 1800s is true?
 - t. They weren't as talented as the famous men of that time, but it's only fair to show their work, too.
 - n. Their work is not as well known as that of male artists because they weren't given the same respect.
 - s. Most of their work was never completed because they weren't as dedicated to it as the male artists.
 - u. All of the above.

2. Which of these statements about Scott Kelly's presentation is true?
 - k. He explained ways that common activities on Earth can be more difficult in space.
 - i. He told the difference he felt between American and Soviet spacecraft.
 - b. He talked about two books he's written, one for kids and one for all ages.
 - e. All of the above

3. How do the new type of mosquitos kill other mosquitos?
 - k. They carry a poison that kills any mosquito that touches them.
 - w. They attack other mosquitoes rather than biting humans.
 - d. When they mate with other mosquitoes, the eggs never hatch.
 - a. The story didn't tell.

4. With which of these statements about "Thor: Ragnarok" would Thandi Glick NOT agree?
 - e. It's a thrilling superhero film much like other films in the Marvel Universe.
 - h. It's really funny but not very much like other superhero films.
 - p. It doesn't have a very well-made plot, but you probably won't mind.
 - u. It's worth going to, but maybe not if you are very serious about superhero films.

5. Which of these statements about smoking is true?
 - o. Much fewer people smoke today than smoked 60 years ago.
 - y. Many people who start smoking become addicted to tobacco products.
 - d. Tobacco causes many serious diseases besides just lung cancer.
 - w. All of the above

6. Why did Ariadne's thread twist around her wrist and pull her farther back into the tunnel?
 - t. The torch went out and it was too dark to see.
 - e. The thread thought she was done and wanted to leave.
 - s. It was keeping her safe from the Minotaur.
 - g. All of the above

Fill in the letters to the correct answers above to solve this question:

Although it was once one of the most power military countries in the world, this nation has not been to war since the days of Napoleon.
