 - b. all of the above

Fill in the letters to the correct answers above to solve this:

This type of jewelry is very popular in Southwestern Asia:

6 5 2 3 4 1

What do you think?

Barn owls concentrate intensely on the thing they want to focus on, while field mice listen to every sound in case it means danger. Most of us are a mix of barn owls and field mice, able to concentrate but also apt to be distracted. Draw a circle to represent yourself, divided into the barn owl and the field mouse portions.

Proofreading:

There are five errors in this passage. Can you find them all? Correct each mistake in the space above it.

“Very well, Nellie replied. “Start the man, and Ill start the same day for some other news paper and beet him!”

Summarize the story:

Use three sentences to tell about the Irish elk fossil.

1.

2.

3.

Look it up!

Some animals are predators, hunting other animals for food, while others are prey, the animals predators hunt for. For each of these animals, tell if it is predator or prey, and whether it is a bird, fish, mammal, reptile, amphibian or insect. We’ve done the first one for you.

White-tailed deer	prey	mammal
Caiman
