Energize your students around conservation.

Enroll in the spring 2026
Times in Education program.

Teachers, sign up today for Times in Education and LADWP's "Water, Energy, the Environment and You" spring program.

Enrich your curriculum with free conservation-focused teaching guides and digital access to the L.A. Times.

Grades 4-12 will also be eligible to participate in a poster contest. We're calling on students to submit original artwork illustrating how we can all work together to fight climate change through renewable energy, water conservation and more. With parental consent, water-focused posters will also be entered in a contest from the Metropolitan Water District.

All entries must be received by **May 22, 2026**.

Scan the code or visit latimes.com/nie to enroll now.
