

## NEWSPAPER IN EDUCATION & TAMPA BAY WATER

present a series of professional development opportunities on the topic of  
**SOURCE WATER PROTECTION**

### WEBINAR | FEB. 22, 2023, 5-7

This webinar will feature **2022 NIE Teacher of the Year Runner-Up and SWFWMD SPLASH Grant recipient Rachel Kingdom**, who teaches Environmental Science at Central High School in Hernando County. The focus of this webinar will be on teaching water conservation.

### WORKSHOP | MAR. 23, 2023, 5-8

This in-person workshop will take place at Hillsborough County Public Schools' **Nature's Classroom Environmental Education Center**. Teachers will have the opportunity to experience hands-on environmental education on the Hillsborough River. Refreshments will be provided. **Space is limited to 35 participants.**

### WORKSHOP | APR. 13, 2023, 5-8

This in-person workshop will take place at **Hillsborough County Water Resources**. Teachers will get a first-hand look at how wastewater treatment plants, sewage lift stations and pipelines contribute to keeping our water safe. Refreshments will be provided. **Space is limited to 40 participants.\***

\*Wastewater facility tour participants must be over 18 years of age. Long pants (no shorts or skirts/dresses) and closed-toe flat shoes such as sneakers are required. Long sleeves and facemasks are recommended.
