

BE A PINELLAS COUNTY **water** **protector**

WHY PROTECT AND CONSERVE WATER?

Pinellas County has 588 miles of coastline and more than 60 waterways. It is also the most densely populated county in Florida.

Be a Pinellas County Water Protector

provides Pinellas County elementary teachers with a new, locally-focused, Florida Standards-aligned resource to teach about water conservation and source water protection.

- Learn to use Be a Pinellas County Water Protector at our free **teacher webinar** on Sept. 25, 2025
- Win a pizza party for your class with our **Letter to the Editor Challenge**
